drop THE LABELS back TO SCHOOL

GenderYOUTH

Share Your Story

In response to the lack of empirical research data on gender-based bullying, please speak out and share your story in a national effort to gather a collection of stories that show our government and school officials the pervasiveness of gender-based abuse in our classrooms and on our campuses. You can also share your story at www.genderyouth.org

Name (Optional):_____
Town/City: _____
State: _____
Age: _____
Number:_____

☐ I agree to have my "Share Your Story" posted on the GenderYOUTH website.

☐ I would be willing to speak to the media.
